Health & God's Blessings for our Parishioners

Parish Announcements

The period of mourning concludes nine days after the burial of our late Holy Father Francis on Monday, May 5th. Nine days signifies the length of a Novena for His blessed repose. Special attention for prayers to the Holy Spirit to continue to guide and inspire the Cardinals in the election of a new pontiff.

Our gratitude to the 3 of our parishioners who contributed to the restoration of the statue of Our Lady of the Incarnation with donations totaling \$900.00. God bless you and grant you peace, health and happiness for many years.

Our gratitude to Nicholas & Natalie Polanin for delivering and donating the cost of the Easter lilies adorning our Church. Wishing you peace, health and happiness for many years.

Our gratitude to the parish family for contributing the generous amount of \$2,881.00 collected on Good Friday, Holy Saturday, and Pascha. Blessings and prayers for peace, health and happiness. Christ is Risen!

Special Note: Our parish's 1st Summer Saturday, 4:00 p.m. Vigil Divine Liturgy will be served on May 17th and will continue to be served on every 3rd weekend of the month until September.

Following the Saturday evening Liturgy on July 19th, salads and sandwiches will be served in the rectory in celebration of the Feast of St. Elias. Please mark your calendars and plan to celebrate!

St. Elias Church no longer has a land phone line; it has not functioned for a few years. To contact the church, please call Father Michael or one of the parish Trustees whose cell numbers are listed on the first page.

A special thank you to Gerry Wutkowski for providing our parish family with the monthly bulletin since the death of Fr. Ed Semko. Our gratitude to Ann Marie Schoenig for succeeding Gerry's ministry and we offer our gratitude for accepting this new ministry and gracious support and assistance to our parish family. Any new updates to email addresses may be given to Ann Marie.

Our gratitude, as well, to Frank Linkowsky for accepting the ministry as parish accountant since the beginning of the new year. Prayerful best wishes for peace, health and happiness.
