Saint Elias

The Feast Day commemorates the life and Ascension of the Prophet Elijah, also known as Elias.

Elijah, the powerful prophet challenged the worship of the false god Baal and defended the worship of the one true God. He performed miracles. The Carmelite Order celebrates him as their founder and spiritual father.

Elijah is depicted with ravens who brought him food, with fire symbolizing his zeal and that consumed his sacrifice on Mt. Carmel. He also appeared with the prophet Moses at Jesus' Transfiguration on Mt. Tabor

St. Elias, patron saint of all forms of transportation, pray for us!
